### PORTFOLIO OF EVIDENCE

The VET Teacher Training (VTT) through TAFE NSW, offers a shortened study program by recognising:

- previous learning - existing qualifications (list above and attach)
- current competence – agricultural & horticultural industry experience, last 5-8yrs (detail below)

To determine the depth of understanding to be demonstrated and technical language required, use the hyperlinked units of competency in each industry area below. For audit purposes, the RTO (TAFE NSW) requires detailed evidence that you enter the program with underpinning knowledge and skills.

Give details of sizes of properties, numbers of livestock handled, size of tractors, types of machinery, types of fencing and any other information relevant to your Industry currency e.g., attending *Beef Week*, *Livestock Field Days* etc. Include photos indicating your involvement where possible.

**Current Agriculture Industry Experience relevant to Certificate II in Agriculture**

Please **attach** documents & photos that support your experience, workplace supervisor and/or principal letter.
