

WORLD DAY OF THE SICK (WDOS)

On February 11 we come together as a community to pray for the sick and those who care for them.

*In the name of the Father and of the Son and of the Holy Spirit.
Amen*

God, we ask you to keep in mind all who are sick,

Bless all medical and nursing staff and all who support them in their work.

Help those who have to care for the sick, in hospitals and at home.

Keep safe and well all those who travel to bring medical care to the poorer regions of our world.

*We ask this through Jesus Christ.
Amen*
