When you successfully submit your request, you will receive an automated email. If you do not receive this email within a minute, it is because you already have a *My School* Principals' Portal account. Therefore, you should try <u>resetting your password</u>.

Before you log in, ACARA must authorise your request. This may involve contacting your school to confirm that you are the principal. You will receive another email when your request has been authorised and then you can log in (see <u>Logging in</u>).
