

DISruptABILITY

Conference

We are inviting you to share your *stories, images, student talent and innovative practices* to contribute to our state-wide celebration of Catholic education ...

1. Do you have any current (or past) students that could share their voice on a panel, enrich our liturgy, Mass or welcoming ceremony or showcase their talent at breaks or dinner?

2. Do you have videos, images, posters, social media collateral or other material that could be used to narrate and showcase our Catholic Education story over the last 200 years?

Can you share innovative practices and/or action-research that your setting or diocese has been involved in?

3.

(refer to attached template for these submissions please)

Upload your contributions on the [conference website](#).
