Government Award Winner 2021 NSW Resilient Australia Awards

The programs have been designed to:

- Improve children's fire safety knowledge and skills
- Facilitate the transfer of knowledge and skills into children's families, households, and communities
- Reduce the risk children will misuse fire or be harmed by fire
- Enhance children's recognition of, and trust in, firefighters.

The programs contain everything teachers need, including:

- Lesson plans
- Student workbooks
- Teacher resource kits.
