

EDUCATION PROGRAMS

The Sisters of Charity Heritage Centre in Potts Point offers tours to suit the learning requirements of both students and staff in Catholic education institutions.

Our programs are developed to align with current NSW curriculum focus areas, making it easy to include our site studies into your lesson planning. Subjects include Australian history, personal development, and social justice studies with a focus on individual action and responsibility.

CENTRE

LEARNING AT THE HERITAGE CENTRE

Explore

- The impact of individuals and groups on the history of Australia
- Historical inquiry and communication of knowledge
- Similarities and differences between individuals and their experiences through time
- Empathy, inclusion, and respect
- Taking action to create positive social change
- Using imagination and creativity to develop and present practical solutions to problems
- Examining the role of help-seeking strategies and behaviours in supporting individuals and others
- Personal engagement with 'faith in action'

Our Centre is a hub of learning and reflection with a focus on the history of the Sisters of Charity of Australia, and their ongoing work in health, education, and community outreach in the service of the sick and poor.

"It really spoke to me in a way, showing that everyone here is part of making tomorrow better than today, by having the key to compassion and kindness."

- Year 7 student, 2021.

We offer a series of classroom activities on our teachers' resources page on the Heritage Centre website for Stages 2, 3 and 4, which can be adapted by educators according to individual needs. These activities can be completed in class after attending a tour in person; viewing our series of short virtual tours available online; or engaging in independent, classroom-based learning.
