the School of Education, the University of NSW

Bringing Maths to Life 2023

Thinking & Working Mathematically in the New Syllabus

Central Lecture Block UNSW – Thurs November 23, 2023

8:45 am – 4:00 pm. On-site CHECK IN from 8:00 am

New Curricula 3-6, 7-10 and results on international tests issue a major challenge and opportunity to Australian teachers of Mathematics: How can Maths learning be lifted? The Conference will draw on leading Maths educators and practitioners to strengthen teachers' professional knowledge, confidence and skill to meet the challenge and seize the opportunity.

Keynotes:

- **Eddie Woo**, Professor of Practice, USyd Leader, Mathematics Growth NSW DoE
- **Dianne Siemon**, Emeritus Professor Maths Education, RMIT University
